Beyond the Vote
- Promotion Terms and Conditions

1. Organiser and definitions

1.1. These Terms and Conditions (the "Terms") govern the "Beyond the Vote" promotion (the "Promotion") offered under the SimpleFX brand.

1.2. The organiser of the Promotion is 8TECH PA LLC, a company registered in the Republic of Panama under company number 0004-IBC-2026, with its registered address at Central Street, Kunaisa Bldg., Nurrá-Wala-Mortí, Kuna de Wargandí Territory, Republic of Panama, holding FOREX licence No. FX0032026 and VASP licence No. V0042026 issued by the Kuna de Wargandí International Services Authority (KUNAISA) (the “Organiser”).

1.3. Capitalised terms not defined in these Terms have the meaning given to them in the Customer Agreement. These Terms supplement the Customer Agreement. In case of conflict, these Terms prevail only as regards the Promotion mechanics; in all other respects the Customer Agreement prevails.

1.4. Definitions:

Promotion Period – from 1:30:00 PM UTC on 27 October 2026 until 9:00:00 PM UTC on 10 November 2026.

Participant – a holder of a live (real) trading Account who meets the eligibility criteria in Section 2.

Eligible Instruments – the instruments listed in Section 3.

Qualifying Trade – a position on an Eligible Instrument that is both opened and closed within the Promotion Period (or, where these Terms so provide, within a specific Boost Day or BTCUSD Window), on a live Account of the Participant.

Spread – the spread charged by the Organiser on a Qualifying Trade, as recorded in the Organiser's trading system.

Cashback – a refund of a percentage of the Spread on Qualifying Trades, calculated and credited in accordance with Sections 4 and 5.

Partner – an affiliate, introducing partner, influencer or ambassador cooperating with the SimpleFX Group under a separate agreement.

Partner Referral Link – a unique referral link or code assigned to a Partner by the SimpleFX Group.

Boost Day – each day (or period) listed in clause 4.4.

BTCUSD Window – from 00:00:00 UTC on 30 October 2026 until 23:59:59 UTC on 1 November 2026.

UTC – Coordinated Universal Time. All times and dates in these Terms are in UTC.

2. Promotion Period and eligibility

2.1. The Promotion runs during the Promotion Period. Trades opened before the start or closed after the end of the Promotion Period do not qualify.

2.2. The Promotion is open to all holders of a live, verified Account in good standing, without any sign-up, code or opt-in, subject to clause 2.3. Demo Accounts are excluded.

2.3. The Promotion is not available to, and no Cashback will be credited to:

A. residents of, or persons located in, the United States (including US Persons within the meaning of Regulation S under the US Securities Act of 1933), and residents of any country listed as excluded in clause I.3 of the Customer Agreement;
B. residents of the European Union, the European Economic Area or the United Kingdom;
C. residents of any other jurisdiction where participation in the Promotion or the distribution of these Terms would be contrary to local law or regulation;
D. employees and officers of the SimpleFX Group and their immediate family members;
E. Partners, in respect of Accounts they own or control.

2.4. The Organiser may request additional information or documents to confirm a Participant's eligibility, and may withhold Cashback until eligibility is confirmed.

2.5. This Promotion is not directed at, and does not constitute an offer, inducement or solicitation to, any person in a jurisdiction listed in clause 2.3.

3. Eligible Instruments

3.1. The following instruments are Eligible Instruments for the whole Promotion Period:

Group	Instruments	Base Cashback
Indices	US500, US100, US30, US2000	40%
Dollar index	USDINDEX	40%

Shares	All CFDs on shares listed on US stock exchanges that are available on the SimpleFX platform during the Promotion Period, as indicated in the platform's instrument specifications	40%
ETF CFDs	SPY, QQQ, TQQQ, SOXL	40%
Forex – majors	EURUSD, GBPUSD, USDJPY, USDCHF, USDCAD, AUDUSD, NZDUSD	40%
Forex – minors	USDCNH, USDCZK, USDDKK, USDHKD, USDHUF, USDILS, USDKRW, USDMXN, USDNOK, USDPLN, USDSEK, USDSGD, USDTRY, USDZAR	40%

3.2. During the BTCUSD Window only, BTCUSD is an additional Eligible Instrument with a Base Cashback of 40%. Only BTCUSD trades opened and closed within the BTCUSD Window qualify.

3.3. An instrument is eligible only if it is available to the Participant's Account type under the Customer Agreement. The Promotion does not extend the range of instruments available to any Participant.

4. Cashback mechanics

4.1. **Base Cashback**. Subject to clause 4.7, each Participant receives a Base Cashback of 40% of the Spread on every Qualifying Trade.

4.2. **Referral Cashback**. A Participant whose Account was registered through a Partner Referral Link receives, subject to clause 4.7, an additional 10% of the Spread on every Qualifying Trade. The Referral Cashback is credited to the Participant, not to the Partner, and does not affect the Partner's remuneration under its separate agreement.

4.3. **BTCUSD Window**. Qualifying Trades on BTCUSD under clause 3.2 receive the Base Cashback and, where applicable, the Referral Cashback. No Boost applies during the BTCUSD Window.

4.4. **Boosts**. Qualifying Trades that are both opened and closed within one of the periods below receive an additional Boost:

Boost period (UTC)	Additional Boost
29 October 2026, 00:00:00 – 23:59:59	+10%
3 November 2026, 00:00:00 – 23:59:59	+10%
4 November 2026, 00:00:00 – 23:59:59	+20%
9 November 2026, 00:00:00 – 10 November 2026, 21:00:00	+10%

A trade opened within a Boost period and closed outside it (or vice versa) receives no Boost, but may still qualify for the Base Cashback and Referral Cashback.

4.5. **Stacking**. The Base Cashback, Referral Cashback and Boost are added together in percentage points and calculated on the same Spread. Example: a Qualifying Trade by a referred Participant opened and closed on 4 November 2026 receives 40% + 10% + 20% = 70% of the Spread. The total Cashback on any single Qualifying Trade will never exceed 70% of the Spread.

4.6. **Calculation**. Cashback is calculated per Qualifying Trade on the basis of the Organiser's trading records, which are final save for manifest error. Partial closures are treated as separate trades for the closed volume.

4.7. **Minimum Spread.** Cashback is calculated only on Qualifying Trades where the Spread charged on the trade is at least USD 2.50 (or the equivalent in the Account currency). Trades with a Spread below this threshold do not qualify for Cashback.

4.8. **Cashback** is a refund of trading costs only. It does not depend on the profit or loss on any trade.

5. Crediting of Cashback

5.1. All Cashback under these Terms (Base, Referral, Boost and BTCUSD Window) is credited after the end of the Promotion Period, no later than 23:59:59 UTC on 24 November 2026.

5.2. Cashback is credited as a balance adjustment to the Participant's Account on which the Qualifying Trades were executed, in the currency of that Account. Credited Cashback forms part of the Account balance and is subject to the Customer Agreement, including its provisions on withdrawals, verification and anti-money laundering checks. The Organiser may withhold or reverse Cashback in the cases described in Section 6. If, on the date of crediting, that Account is closed, suspended or restricted, the Organiser may credit another eligible Account of the Participant or decline crediting.

5.3. The SFX Coin cashback programme runs independently of this Promotion under its own terms. A Qualifying Trade may earn both SFX Coin cashback and Cashback under these Terms. Neither programme reduces the other.

5.4. Cashback is not transferable and cannot be exchanged for any other benefit.

6. Abuse and Organiser's rights

6.1. The Organiser may refuse, reduce or reverse Cashback, and exclude a Participant from the Promotion, where it reasonably believes that the Participant has engaged in abusive or irregular activity, including:

- opening offsetting or hedged positions across one or more Accounts, own or of related persons, to generate Spread without genuine market exposure;
- operating multiple Accounts, or acting in concert with other persons, to obtain Cashback;
- exploiting pricing errors, latency, platform malfunctions or arbitrage;
- trading patterns designed mainly to generate Cashback rather than to take market positions;
- providing false information or breaching the Customer Agreement or applicable AML/KYC requirements.

6.2. The Organiser may amend, suspend or terminate the Promotion at any time where required by law, a regulator, or for reasons of force majeure, technical failure or suspected abuse. Changes will be published on the SimpleFX website and will not affect Cashback already earned on Qualifying Trades closed before the change, except in cases of abuse.

6.3. The Organiser's decisions on eligibility and Cashback calculation are made in good faith on the basis of its records. Complaints may be submitted under the complaints procedure in the Customer Agreement.

SIMPLE FX

7. Risk warning, regulatory status and final provisions

7.1. **Risk warning**. Margin trading in currencies, virtual assets and other over-the-counter instruments carries a high level of risk and may not be suitable for everyone. CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. 78% of retail investor accounts lose money when trading CFDs with this provider. You should consider whether you understand how CFDs work and whether you can afford to take the high risk of losing your money. Cashback reduces trading costs only; it does not reduce the risk of trading or protect against losses. Do not trade more, or with higher leverage, because of this Promotion.

7.2. **No advice**. Nothing in these Terms or in any Promotion materials constitutes investment, financial or tax advice, or a recommendation to trade any instrument.

7.3. **Tax**. Cashback and trading profits may be subject to tax. Participants are solely responsible for their own tax obligations and should seek independent tax advice.

7.4. **Regulatory status.** The Promotion is organised by 8TECH PA LLC, a company registered in the Republic of Panama under company no. 0004-IBC-2026, with its registered address at Central Street, Kunaisa Bldg., Nurrá-Wala-Mortí, Kuna de Wargandí Territory, Republic of Panama. 8TECH PA LLC is licensed by the Kuna de Wargandí International Services Authority (KUNAISA) under FOREX licence no. FX0032026 and VASP licence no. V0042026. 8TECH PA LLC is not authorised by any regulator in the European Union, the European Economic Area or the United Kingdom, and its services are provided outside the EU/UK regulatory framework. Participants are not covered by any Investor Compensation Fund.

7.5. **Promotion name**. "Beyond the Vote" is a marketing name only. The Promotion is not affiliated with, endorsed by or connected to any government, election authority, political party or candidate, and does not express any political view or prediction.

7.6. **Governing law and language**. These Terms are governed by the law and dispute-resolution provisions that govern the Participant's Customer Agreement. If these Terms are translated, the English version prevails.

7.7. **Acceptance**. By opening and closing a Qualifying Trade during the Promotion Period, a Participant accepts these Terms.
